

ARLEE/LAKE COUNTY WATER AND SEWER DISTRICT
PUBLIC HEARING

TIME: April 17, 2024 at 6:00 pm

PLACE: Brown Building

92434 US HWY 93 Arlee, MT 59821

AGENDA: Discussion of the Following:

- Wastewater Preliminary Engineering Report
 - Proposed Improvements
 - Impacts to User Rates
- Environmental Impacts

The Arlee/Lake County Water and Sewer District Board is inviting and encouraging the public to attend the meeting and provide comment. A Uniform Environmental Checklist has been prepared and is available from the District for public review upon request. Persons or their agents may contact Dianna Kelley at 1-406-644-3137 or Charels Headley at 1-253-315-0537 to review the environmental documentation.

Oral comments may be provided at the meeting; written comment may be submitted to the District via TD&H Engineering by email, nicole.rediske@tdhengineering.com or by mail,
